Hello everyone,

Come to the **Defeat the Mandates' Freedom Festival!** This festival is an **important one in the fight against unconstitutional mandates** in the state of California. If you are local to Los Angeles, we need every single boot on the ground - only a united front of "We the People" can defeat this governmental overreach.

Sunday, April 10, 2022  
12:00-8:00pm PST  
Grand Park  
200 N Grand Ave  
Los Angeles, CA 90012  
#DefeatTheMandatesUS #DTM

If you cannot meet with us in person, please tune in **Watch Live on the Highwire!**

Support **Hi-Rez & Jimmy Levy**. These two artists are using their art to rise up against tyrannical mandates and unconstitutional governmental overreach. Hi-Rez & Jimmy Levy - God Over Government (**Official Video**) will be performing in Jacksonville, Orlando and Largo during the **Save a Generation Florida Tour 2022**. Do not miss this powerful duo live in action.

Don't forget to reserve your tickets to the **Save a Generation Florida Tour** and **Crimes against Humanity USA Tour**. I have dedicated my schedule to these two very important tours across Florida. I hope to see many of you in person and for those of you who are not local to Florida, check out the websites for the virtual options so you can be a part of it, too.

As many of you know, there are several web and social media sites using my name and image to sell my books and purporting my endorsement of supplements. They are profiting off the decades of hard work that I have and continue to spend performing scientific research. I do NOT support most of the information shared using my name. These sites are **fake!**

**PSS:** There was an issue with the instructions following last week's newsletter. Please follow these **updated instructions** to help me eliminate these unofficial endorsements and fake use of my God given purpose as a scientist and educator.

**Thank you all so very much for your support!**
