BOOKS! BUNDLES! BENEFITS!

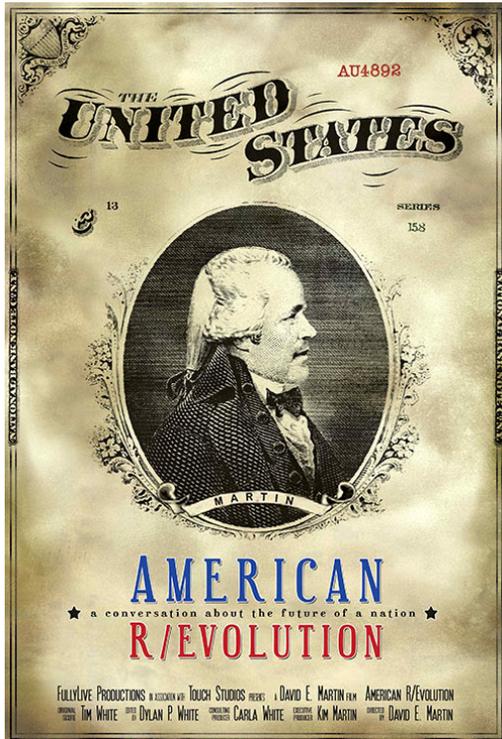

Hi Everyone,

The moment of reckoning is here. In order to win this fight for humanity you have to choose: Truth or the lie. Our own government has been weaponized against us with rogue parts of three letter agencies violating people's constitutional rights as they please. Before the raids on Roger Stone in 2019 and President Trump's raid at Mar-a-Lago on August 8th this month, I had been treated like a fugitive drug lord and potential terrorist in 2011 when the FBI raided my home without a signed warrant. I was jailed on bogus charges thereafter and treated like a criminal, all the while they were the ones breaking the law - **Ending Plague.**

If the FBI had done its job when we handed them a terabyte hard drive in May 2014, they would have found proof of tax fraud, misappropriation of government funds, etc., and there would not have been a COVID in 2020 - **Plague of Corruption.**

Since the criminal-in-chief Anthony Fauci remained head of the NIAID from 1984 until now, despite his crimes committed, elected as a member of the "White House Coronavirus Task Force" and shortly thereafter promoted to be the Chief Medical Advisor to the Biden Administration, he was able to orchestrate the **2019 Coup Conning President Trump** into supporting the universal flu vaccine.

Dr. David Martin Exposes the "The Great Reset & COVID19 Vaccines" Agenda - *"This is a crime and this is about getting Anthony Fauci cuffed and perp walked. We're not done until they are in chains and in jail. One felony ends the Emergency Use Act (EUA) and puts the liability back on the bioweapon making companies."*

I need you to understand that the time to act is NOW. We are called to impeccable integrity. We are the people we have been waiting for. We are called to write our own laws as we the people see fit, honoring our constitution and our God given freedoms. Support **Write Your Own Laws** - familiarize yourself with all the ways you can get involved to fight for your own family and our collective freedom. I have added Alex Jones' new book in my store, **The Great Reset: And the War for the World**. If you missed my latest interview by Alex Jones on May 27th 2022 - you can watch it [here](#).

Even though there has been some good news with **the psychopath Fauci stepping down to avoid accountability for his crimes** and the **CDC admitting their failures**, there are still more ways to help stop these crimes:

- **P.E.R.K.: Approaching the Finish Line...No Amendments...No on California SB 866**
- **Petition To Convene a Special Grand Jury To Investigate the CDC's Conduct**
- **Ask Key Congressmen To Formally Investigate the CDC's Conduct**

This last weekend I was at **Reckoning Fest '22 in Mesquite, Texas**. I stood proudly with the amazing freedom warriors who unapologetically stand for freedom and bodily autonomy. We are under attack and I would like to remind you of Isaiah 54:17 where it says: "No weapon formed against you shall prosper, And every tongue which rises against you in judgement You shall condemn. This is the heritage of the servants of the Lord, And their righteousness is from ME," says the Lord. (Isaiah 54:17).

Test Name	Result	Reference Range
SARS CoV 2 AB (IgG) NUCLEOCAPSID, QL		
SARS CoV 2 AB IGG	POSITIVE	

Reference range: Negative

This test is intended for use as an aid in identifying individuals with an adaptive immune response to SARS-CoV-2, indicating recent or past infection. Results are for the detection of SARS-CoV-2 antibodies. IgG antibodies to SARS-CoV-2 are generally detectable days after initial infection, although the duration of time antibodies are present post-infection is not well characterized. This test should not be used to diagnose acute SARS-CoV-2 infection. If acute infection is suspected, direct testing methods for SARS-CoV-2 is necessary. False positive results for the test may occur due to cross-reactivity from pre-existing conditions.

Please review the "Fact Sheets" available for health care providers and patients using the following websites: QuestDiagnostics.com/COVID-19/HCP/antibody/fact-sheet2, QuestDiagnostics.com/home/Covid-19/Patients/antibody/fact-sheet2

This test has been authorized by the FDA under an Emergency Use Authorization (EUA) for use by authorized laboratories. Authorized labeling is available on the Quest Diagnostics website: www.questdiagnostics.com/Covid19

For additional information please refer to <http://education.questdiagnostics.com/faq/FAQ219> (This link is being provided for educational purposes only.)

Test Name	Result	Reference Range
SARS COV 2 AB, TOTAL SPIKE SEMIQUANT	417.4 H	<0.8 U/mL

INDEX INTERPRETATION

< 0.8 Negative

> or = 0.8 Positive

This test is intended to help identify individuals with antibodies to SARS-CoV-2 (COVID-19). The results of this semi-quantitative test are interpreted as an indication of degree of immunity or protection from reinfection.

A test result that is 0.8 or more (Positive) means antibodies to SARS-CoV-2 were detected in the blood sample by the test. This result may indicate that the individual may have an immune response to a recent or prior infection with SARS-CoV-2. Positive results may occur after vaccination, but the clinical significance of a positive antibody result for individuals that have received a COVID-19 vaccine is still unclear. False positive results for the test may occur due to cross-reactivity from pre-existing conditions.

Dear Dr. Judy, I am excited to report that thanks to my jabbed neighbors and friends I have now developed sufficient immunity through ample antibodies. Look at my value: 417! Thanks to your protocol I am not afraid of the vaccinated. I haven't been sick, I have not had any symptoms.

I take my Immune Formulation 200, Cardio Miracle, Prolean Greens or additional DMG and my Paximune regularly. Natural immunity for the win! It truly works. Thank you for all that you do. God Bless. -Pam

Greetings in the Mighty Name of Jesus, Dr. Judy: Since my last message to you in July, my husband has improved and is able to walk unassisted again. I'm in the process of reading "Ending Plague" and have watched dozens of hours of your presentations from the past several years online, which pointed me to the immediate products necessary to rescue him from that last critical episode (praise the Lord!). I love you, dear sister in Christ, no matter what. -Mary B.

"We can and we will restore our health. Recovery is possible."

I am so grateful for all of you who have read my books, watched my presentations, and listened to my many hours of talks. Please share this newsletter's content with others to help those who are still looking for truth and solutions. Many hands make light work. We have no time to waste!

All the best of health,

THE TRUTH ABOUT IVERMECTIN

Mikki Willis, Team Plandemic

Of all the harmful misinformation spread over the past couple of years, one of the most disturbing false narratives was targeted at the Nobel Prize winning HUMAN medicine, Ivermectin.

This short film was produced to correct the narrative and to reveal the motive behind the smear campaign against one of the safest and most effective medicines of this era.
