
The Real Dr. Judy Newsletter August 6th, 2022 - Tribute to Ed Arranga, Founder of AutismOne ❤️

You are receiving this email because you previously signed up for news and updates from me, Judy A. Mikovits PhD, either at Plaguethebook.com or Therealdrjudy.com.

I am now on Truth Social @therealdrjudy

Hello everyone,

This week I am heading to Pittsburgh, where I will teach at the **Journey of Healthcare hosted by Nutritional Frontiers**. Due to the incredible response, the event is sold out. However, I want you to consider ordering the virtual option or opt for the recorded playback. I am going to focus my talk on the underlying causes of Immune Dysfunction, which are closely connected to the collapse of the innate immune system we see in the poisoned populations around the world due to the bioweapon injections. I will teach nutritional support solutions for the pathways of disease and how to stay well.

My next stop this month will be **AutismOne in Mesa, Arizona, August 18 - 21, 2022**. AutismOne is THE event of the year. This is the largest parent-run autism conference in the United States. I cannot encourage you enough to make the trip to see me and the other incredibly skilled and trained speakers in person. You will learn from my 15 years plus experience with Autism or as the late Dr. Zev Zelenko rightfully declared it "Vaccine Aids". Nobody knows more about treating vaccine AIDS than the doctors, practitioners and vendors at AutismOne.

The long list of experts, practitioners, doctors and educators who are coming together is the best source of knowledge for you and your family to take back your health. Dr. Stephanie Seneff, Dr. Christopher Shade, Dr. Arthur Krigsman, Dr. Dietrich Klinghardt, Dr. Brian Hooker, Prof. James Adams and Del Bigtree are just a few names you will recognize on the panel of speakers this year.

The 2022 conference will have a special tribute to its **Founder and President, Ed Arranga**, who passed into God's arms last December. Ed spent his life's energies advancing the mission of AutismOne and mobilized the unification of autism advocacy groups since its inception in 2002.

To ensure Ed's legacy lives on, I invite you to **make a contribution** in his memory to AutismOne Open your heart Campaign.

The plague of corruption is ramping back up. You know that the efforts to create a new "pandemic" with the monkeypox is only an indicator of the new cycle of fear and control the global "Parasitic Elites" are trying to pump into the MSM news cycle.

The vendors' booths at AutismOne are a valuable resource of products, applications and educational material you won't be able to experience if you aren't in the room with us.

PURE HAVEN is one of the many vendors that will be at AutismOne.

Some of my favorite skin care and household cleaning products come from **PURE HAVEN**. All 100% toxin free! -Dr. Judy

Visit the Pure Haven booth and meet Dr. Judy team member, Sheryl Lunsford and Sharon Mahan, a Pure Haven powerhouse.

To mitigate damage from the poisonous shots, knowledge on how to combat their disastrous effects on the body is crucial. All neuroimmune & auto-inflammatory diseases in the slide below are associated with Vaccine AIDS and we share the resources on how to treat these diseases appropriately at AutismOne.

Are you ready for Back to School? Exposure to pathogens in the fall is inevitable with children coming together in large groups. Fall and winter seasons come with less outdoor time and less sunshine exposure. To help support your immune system, stock up NOW on remedies, supplements and nutritional support BEFORE kids head back to school and come home sick.

School officials often tell families that their children have to be vaccinated to attend the new school year. File a **religious exemption** and rest assured that you retain your parental rights over medical decisions regarding your children. Exemptions vary slightly from state to state. Check with your local state health department for their exemption.

Most important of all: NO MORE SHOTS EVER!

#stoptheshots

Right Docs Of History: STRIKE BACK: STOP THE SHOTS!

These are Immune Damaging Injections (IDI)

I am glad to have participated in this campaign to help stop the shots! All the shots! Help those who got vaccinated to stop the damage and not get another shot. This video is being censored, like most doctors speaking the truth have been censored for two years now. Let's save lives by raising awareness. We stand united for truth! -Dr. Judy
