Hello everyone,

This past weekend I was speaking again at **Clay Clark's ReAwaken America Tour** - this time in Virginia Beach, VA. You can find **slides to my talk on my website**. It was an amazing event and many God fearing Patriots came together to educate & inspire each other.

One thing we need to remember is this: We are “We The People” and we are stronger in numbers. As the world hurls every insult, challenge and injustice at us, we can win this fight by banding together and funneling all of our resources together.

There are many ways to accomplish this:

Join Marty and Jenny Grisham at the **LoudMouth Prayer** community and start utilizing your power of prayer to save this nation and humanity.

Aside from the power of prayer, I would like to present you with an opportunity to give to a cause that is vital to our fight against medical tyranny and the loss of our constitutional rights to peacefully make our voices heard. Dr. Simone Gold was sentenced to 60 days in prison after the January 6th “insurrection scam.”

Dr. Gold is a victim of the deep state in the same way I was jailed on November 18, 2011 on

fabricated charges. In one of her last appearances before her sentence, she was at the **Health and Freedom Conference** and presented the newest addition to the Frontline Doctors arsenal of remedies: The **Legal Eagle Dream Team**. This group of lawyers and freedom fighters is essential to fighting back against the governmental overreach and the unconstitutional restrictions of freedom and human rights in our country.

The **Legal Eagle Dream Team** consists of the following members:

Tom Renz (Warrior Name: The Hammer)
 Leigh Dundas (Warrior Name: The Firefox)
 Joey Gilbert (Warrior Name: The Boxer)
 Dr. Gold (Warrior Name: The Eagle)

This legal team will be filing lawsuits on behalf of "We The People" with every governmental agency, every mayor's office, school board and district official who overstep their boundaries and try to unlawfully restrict citizen's rights to live in freedom as "One Nation under God with Justice and Liberty for All" according to our Constitution.

I urge you to join the fight in prayer, and if you are able to do so with financial **support of Dr. Simone Gold** to end this plague of corruption we are embroiled in ever since John F. Kennedy was murdered in 1963 and ever since Anthony Fauci took over the NIAID in 1984.

We are dealing with corruption at the highest level of every single organization and it is now high time we fight back.

Another cause worth **supporting is Sarah Westall's lawsuit against the censorship** of many truth telling and fact reporting news channels on YouTube for being deplatformed and cancelled. In order to defend Free Speech and stand up for the First Amendment under the US Constitution, Sarah Westfall is leading the crusade against the evil powers that be and needs YOUR support in succeeding: **Defend Free Speech Legal Fund**

In her own words: Who are we?

We are a group of independent journalists and podcasters who had our channels removed from YouTube on October 15th, 2020. We lost years of work, millions of subscribers, loss of incomes, and more importantly, a platform for sharing critical information with the public. Since that brutal day, we have witnessed a sweeping array of cancellations of anyone with platforms who are going against the official narrative. We watched independent journalists, doctors, politicians and everyday people get cancelled. This is not just our fight anymore, this is YOUR fight too!

Andrew Wakefield and I were next to each other signing books at ReAwaken America tour, Virginia Beach on July 8th. If you haven't watched his documentary on infertility yet, make sure to watch **Infertility: A Diabolical Agenda** and send this film to every family member and friend you can think of.

This crisis is going to dominate our future - the only way to escape it is to say NO to any and all jabs - mRNA and "conventional" from here on out.

.....

All the best of health,
Judy A. Mikovits, PhD
