Hello everyone,

The message I share in this newsletter is very important, and I had to take extra time as every word counts.

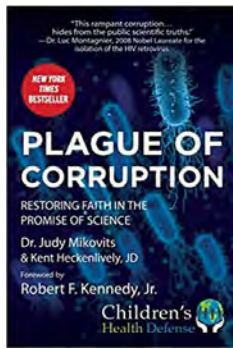

While the members of the self proclaimed globalist “Elite” are attempting to implement their “Great Reset” by means of propagating the cult of scientism across the world, the true revolution of the Great Awakening is happening with encouraging momentum.

“We the people” are rising up everywhere with awakened minds and hearts, taking our God given power back and saying NO to the New World Order enslavement plans. If you read this, YOU are a vital part of that awakening! Why is this important?

It's important because of the Global elite's goal, as stated by Darwin in 1859: the subtitle of Darwin's thesis “The origin of Species by means of Natural selection “ or the “PRESERVATION OF FAVORED RACES IN THE STRUGGLE FOR LIFE” is GENOCIDE... favored races? We are only One Race: the Human Race!

The efforts of more than a century of Globalist “Elites” to experiment on cultures and races, and then attempt to divide us were thwarted by true heroes, like Professor Luc Montagnier, who was honored last week in Spain.

I was truly blessed to have witnessed and participated in the struggle for life, and for humanity, as a technician for Francis W Ruscetti and his colleague and friend, Professor Montagnier. We waged a struggle against an unimaginable evil, this Cult of Scientism led by Robert Gallo and Anthony Fauci, who unbeknownst to us all, would conduct medical racist experiments for more than four decades, culminating with COVID19, the plandemic of premeditated murder of the more than 50 million Americans and hundreds of millions worldwide.

Professor Montagnier was awarded the 2008 Nobel Prize in Medicine for his 1982 isolation of Lymphadenopathy Virus (LAV), which was later named HIV! Gallo and Fauci stalled the confirmatory publications by several investigators, including Ruscetti's team, while creating gain-of-function infectious clones (HIV) in order to patent Diagnostic tests and drugs targeting this "novel" pathogen. Drs. Ruscetti and Montagnier exquisitely detailed the culture of big government science (Scientism?) in our heavily censored book: *Ending Plague: A Scholars Obligation in an Age of corruption*.

As I reflect on this book only a few months after Professor Montagnier's passing on February 8th, highlighting Chapter 5 of part two, an in-depth 2021 interview Kent Heckenlively conducted with Professor Montagnier, showing how he endured more than a decades of harsh ridicule and criticism by many scientists.

To this day, his discovery plays a huge part in the current revolution in science and medicine. It counters directly the narrative of many of the corrupt three letter agencies involved in the fear mongering. Yes, they have been using gain-of-function research across the globe to create dangerous chimeric, synthetic viruses in the labs using animal cell line manufacturing plants like: Vero monkey kidney and aborted fetal tissue cell lines, among many others, for more than three decades.

In the end, now we are all realizing, we have a God-Given-Endogenous Virome that protects us not only from any other animal viruses but even from similar poisons in Lizards and Snake Venom!

So, by using natural amino acids, minerals, purinergic modulators (suramin and ivermectin) and cannabinoids, your endogenous - think God-given - Human endogenous retroviruses (HERVs) your body can identify Self vs. non-Self and shape the innate immune responses, including type 1 interferons and glutathione.

Recognizing that LAV/HIV did not cause AIDS in healthy individuals but only in those with weakened immune systems, Professor Montagnier was vocal that neither did SARSCov2, regardless of its origin, cause COVID19.

Acquired Immune Dysfunction/Deficiency, AIDS, is now called Vaccine AIDS = COVID19, but neither was caused by a virus. These Autoimmune, Autoinflammatory Diseases and Cancer were caused by environmental poisons: not limited to Animal viruses in vaccines, water and blood supplies, glyphosate, radiation and 5G and over 30 years of untested vaccines.

***AIDS... now... Vaccine AIDS = COVID19, ... neither was caused by a virus. These Autoimmune, Autoinflammatory diseases and Cancer were caused by environmental poisons... not limited to Animal viruses in vaccines water and blood supplies, glyphosate radiation and 5G, over 30 years of untested vaccines.***

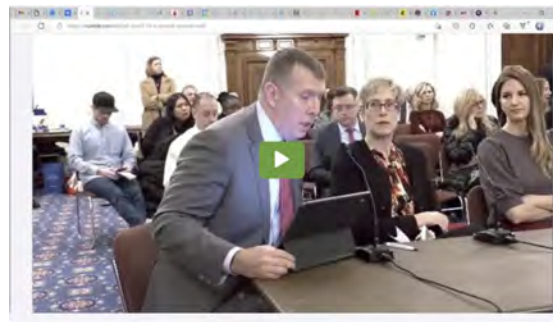

One of my main reasons to educate people on the devastating effects of these mRNA Covid shots containing the poisonous peptide mimetic of Snake venom, Syncytin, not only in all COVID shots but in EVERY vaccine on the CDC schedule, is the danger they pose to human fertility. Vaccines in general, and mRNA bioweapons in particular, are very effective in abortion - far more effective than the RU 486 pill ever has been. A government that tries to mandate abortion to its population at large, and particularly unto the christian community in our country specifically, is unconstitutional and morally completely unacceptable. The "my body, my choice" crowd cannot have it both ways.

In the beginning of this year, attorney Tom Renz spoke at Senator Ron Johnson's Covid Panel on January 24th 2022 about his findings on whistleblower data out of the DoD database and here are some of the astonishing numbers he presented:

**VAXX Whistleblowers testimony: Miscarriages Increase 279% Cancer Increases 296%**

Published January 25, 2022

- 279% SPIKE in Miscarriages
- 487% SPIKE in Breast Cancer
- 1048% SPIKE in the Nervous System
- 155% SPIKE in Birth Defects
- 350% SPIKE in Male Infertility
- 369% SPIKE in Testicular Cancer
- 2181% SPIKE in Hypertension
- 664% SPIKE in Malignant Neoplasms
- 680% SPIKE in Multiple Sclerosis
- 551% SPIKE in Guillain-Barre Syndrome
- 468% SPIKE in Pulmonary Embolism
- 302% SPIKE in Tachycardia
- 452% SPIKE in Migraines
- 471% SPIKE in Female Infertility
- 437% SPIKE in Ovarian Dysfunction
- 269% SPIKE in Myocardial infarction
- 291% SPIKE in Bell's palsy
- 467% SPIKE in Pulmonary Embolism

We are seeing an exponential rise of disease and illness and a sharp decline in fertility. This is problematic on both genders as it destroys the sperm count in men and inhibits the female body to sustain a pregnancy due to the injection of foreign (aborted fetal cell derived or animal cell line derived) Syncytin which is the “velcro” that binds the fertilized fetus to the uterine wall.

Dr. James A. Thorp - a Florida based Gynecologist and Obstetrician - has been warning people extensively over the last several months already that he is seeing disastrous effects in his practice and across his field of medicine. If you want to hear more from him, tune into our weekly Blog Talk Radio shows with Greg Penglis.

Now what exactly is the problem with any and all vaccines? My dear colleague, the late Dr. Zev Zelenko, said it perfectly on the **Clay Clark ReAwaken America Show** in February this year when he stated:

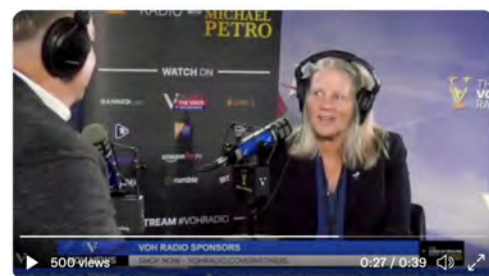

***“They have AIDS. But it’s not HIV-induced AIDS,” said Zelenko. “HIV damages your killer T cells and weakens your immune system. So, that syndrome is called AIDS. But there are other things that damage your immune system. [...] So it is an acquired immune deficiency syndrome. They call to VAIDS and I don’t like it because now it does not have its stark value. Vaccine Aids is the technical term”.***  
**Dr Zev Zelenko.**

What did I tell you already earlier? We know how to deal with AIDS today. We simply disarm the shooter and we know how to do that. Silence any expression of infection in the body, keep the innate and adaptive immune system balanced and you will remain healthy.

First and foremost though we have to stop any and all shots: No more. Not a Covid Shot, not any other vaccine on the market. Period.

My parting words are always the same and you know why! Is there a way out? Yes there is:

"The way out is again: Forgive yourselves, no more fear. Fear nothing but the Lord, trust there is more than a way out. While there is breath, there is life and so turn 180 degrees, never get another shot.

Don't watch that poison on tv. Fear is the virus.  
And God is the solution. Love wins."

All the best of health,

**Micronic Silver is a new line of products I highly recommend!**

"Silver ions bind to cell walls and are then absorbed into the single-cell bacteria or fungus wherein they interfere with cellular energy production and kill the organism. The fermentation system of energy production used by these single cell organisms is different than the aerobic energy producing system of human cells, which are not so affected by silver. This means silver is not toxic to human cells."
