Hi Everyone,

Happy Independence Day!

As we celebrate with rich pride and patriotism the greatest country to ever exist, we recognize and honor Dr. Vladamir Zelenko, a man who treasured humanity and lived powerfully in his purpose to heal others. Thank you, Dr. Zelenko, for making our world a better place, and for providing health solutions that have impacted millions globally. We salute you!

The product of the week is born from Dr. Zelenko's creation, the Z-Stack. **HMB's Immune Shield Capsules** take Dr. Zelenko's creation and include necessary cannabinoids like CBD to synergize the ingredients. Get the immune protection you need with just two capsules daily!

**Get 25% off your entire purchase through July 4 by using the code 'Freedom25'.**

### The Hemp Mind & Body Difference

Why is CBD so important?

News flash! The human body is purpose-built to have an interaction with cannabinoids.

The human body and every mammalian species has an endocannabinoid system (ECS) which is the largest receptor system in the body designed to keep each physiological process in homeostasis, or balance. When the body is in balance, “dis-ease” is simply unable to manifest because the body is operating in its optimal state. The ECS manages our response to pain, energy, mood, sleep, temperature, and other key processes that play into our overall quality of life.

Inflammation is the silent killer driving most disease states today. We are constantly inflamed from environmental toxins, GMO's, heavy metals in foods/water, pharmaceutical medications, and a litany of other exposures that fuel inflammatory responses in the body.

One of CBD's most powerful mechanisms is the ability to control and reduce systemic inflammation at the genetic level proving a cascade of inflammation reduction. Ultimately, this allows for getting to “root cause” of disease, not just masking symptoms as is with traditional pharmaceutical medications.

CBD should be in everyone's health tool kit as it is safe, non-addictive, and is now shown to treat more than 50 different health conditions. Whether you are looking to improve immunity, reduce chronic pain, improve energy, or just improve general health maintenance, the **HMB line is for you!**

Look at the line up in **Virginia Beach!**

I am looking forward to continuing this fight for our country side by side with

everyone July 8-9: we cannot stop our efforts now - we carry on the legacy of the ones God called home after their mission was finished.

God isn't done with me yet. And as long as He calls me I am serving Him with all my might. I know you are doing the same so **I will see you there!**

In truth & love,  
Dr. Judy
